

# 401(k) DAY

## Benefits of a 401(k) Plan

Money doesn't grow on trees. But planting the seeds for your retirement in your company-sponsored 401(k) plan certainly can help it become a blooming success.

Participating in your 401(k) plan:

- ☛ Gives you an easy way to save for retirement
- ☛ Allows you to make pre-tax salary deferrals that can help you save on taxes
- ☛ Provides you with investment earnings that grow tax-deferred
- ☛ Brings you the peace of mind that comes with planting seeds for your future

To shed more light on how beneficial planting seeds into your company-sponsored 401(k) plan can be, check out the Transamerica Retirement Services<sup>†</sup> It's Payday!<sup>SM</sup> retirement planning tool available at: [www.TA-Retirement.com](http://www.TA-Retirement.com).

## PLANT THE SEEDS FOR YOUR RETIREMENT

Unearth how your retirement seeds can take root in a great employee benefit designed to help grow your retirement savings by contacting your Benefits Administrator.

<sup>†</sup>Transamerica Retirement Services (Transamerica or TRS), a marketing unit of Transamerica Financial Life Insurance Company and other of its affiliates, specializes in the promotion of retirement plan products and services.
